Construction Rules

- I. Construction hours are to be from 7:00am until 7:00pm Monday thru Saturday
- II. No Project shall set idle for a period exceeding one week.
- III. The Construction site must be cleaned on a daily basis.
- IV. All construction Materials must be contained within the lot on which the construction is taking place.
- V. Silt fencing must be installed and maintained on both sides of the lot lines.
- VI. A dumpster or other approved container must be used for all waste materials.
- VII. Absolutely no burning of waste materials on site.
- VIII. Loud radios are not permitted, radios are allowed only in the interior of the building after dry in.
- IX. I will comply with the local regulations for the Tree preservation. I understand that it is required that the lot owner must get approval from the DRBG before removing trees from the site.

I have read and agree to abide to the above construction rules.
